HOSPITALITY + LEISURE + TOURISM

Location: HTMI is located in Soerenberg in Kanton Luzern. It is one of Switzerland's most beautiful resorts. Students reside, study and train in two picturesque, traditional Swiss hotels, which are furnished to a quality standard reflecting the best values of Swiss life. Our international hotel campus, pictured above, is part of the UNESCO biosphere of Entlebuch, Luzern, an area protected for its natural beauty. This is the only UNESCO biosphere in Switzerland.

Internships: During the second half of each year for the Certificate, Diploma and Postgraduate Diploma, HTMI will place students in hotels and restaurants in Switzerland for 20 weeks. The students will receive minimum gross wages worth Sfr 2075 per month from which a minimum tax is deducted. In addition, the employer will normally deduct an amount to cover food accommodation and insurances. On average students should expect to keep a minimum of Sfr 1000 per month for Pocket money.

Graduate Placement: As Part of our mission, *come as student, leave as a manager* our international placement services include helping all potential graduates to connect with international hotel companies. Every semester, twice per year, we introduce students to employers, here on campus. They interview and recruit here. Depending on the students' background our aim is to place them in that first or next important career step as a Trainee Manager, Assistant Manager, Department Manager or at a higher level.
